Applicant Name: Visteon Electronics Germany GmbH

Statement of Compliance: We (UL International Germany GmbH) declare that this EUT has been tested in accordance with the compliance measurements methods identified in KDB 558074 v04 April 5, 2017.

Meanwhile FCC has updated KDB 558074 from v04 April 5, 2017 to v05 August, 24 2018 .

KDB 558074 v05 August, 24 2018 now just references the ANSI C63.10:2013 test cases in the KDB rather than have test information in the KDB (i.e. KDB 558074 v04 April 5, 2017).

Therefore this change of KDB version has no impact on the test results & their compliance in presented above test reports.
